25X1 4. [] Bill Jordan, in the office of Senator Richard B. Russell, called to say that in response to the Director's request, the Senator could see him between 2:10 and 3:00 this afternoon. We advised Jordan that regrettably the Director would be out of the city at that time but would be available somewhat later. Jordan was most understanding but indicated the Senator was tied up later in the day. Jordan will arrange a new time for the meeting.

25X1 5. [] Handcarried to the Senate Internal Security Subcommittee the corrected transcript of [] testimony before the Subcommittee in Miami along with the additional information requested at the hearing. The staff was alerted to the fact that although we had no objection to the inclusion of newspaper clippings on [] participation in intelligence activities [] extensive interrogation had failed to substantiate these facts. 25X1

25X1 6. [] Dropped by the office of Senator Joseph D. Tydings and met a number of his staff people including his Administrative Assistant Mr. J. Hardin Marion. We had a nice chat and I renewed our invitation to have the Senator visit us. Marion said he was sure the Senator would like to come out to the building but felt it would have to wait until Congress was out of session.

25X1 7. [] Met with Dorothy Fosdick, Subcommittee on National Security and International Operations staff, and received from her a copy of a letter from [] addressed to Representative Rodino. The copy was passed for our information and no response to Senator Jackson is expected. 25X1

25X1 8. [] Met with John Martin, Assistant Chief Counsel of the House Ways and Means Committee, and thanked him for the staff assistance in the introduction of H.R. 3815 relating to income tax treatment of disability payments under the CIA Retirement Act. Martin advised that letters requesting departmental views probably would not go out from the Committee for some 2 to 4 days.
